

Du 10 octobre au 26 octobre : Voyage dans le Wisconsin pour les terminales Euro

jeudi 22 octobre 2015, par [Massé](#) (Date de rédaction antérieure : 12 octobre 2015).

Wisconsin

In the plane :

Arrival in Sheboygan on Lake Michigan ! The water is a bit cold.... :

In the English classroom :

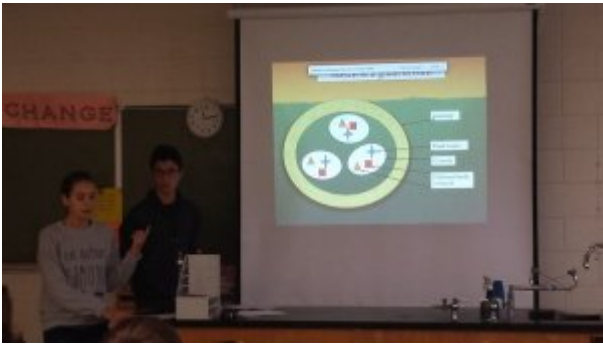

In the Science classroom :

Science project : Emma and Amandine :

Science project : Luca and Elia :

North High School. Home of the Raiders ! :

school bus : Going to Madison on our yellow school bus

Visiting the state capitol in Madison

state capitol dome

Group capitol

state capitol

Visiting the University of Wisconsin - Madison, home of the Badgers

University

Science teachers :

We spent Wednesday in classes at North High School. The French students participated in several projects : Discussing the American Dream, Discussing themes from the novel Frankenstein, and Presenting slideshows in English of their Science Projects. Great presentations and interaction with the American students !!!

Cheese factory : Cheese is VERY important in Wisconsin. Today we visited a cheese factory which produces 4 well-known cheeses : cheddar, mozzarella, colby and farmers.
Visiting the Green Bay Packers American football stadium (2 photos)
Visiting the Oneida Nation Indian Reservation (2 photos) : views of the longhouse and the sweat lodge.
Beautiful weather in Wisconsin.... chilly but sunny !!!

Exploring Sheboygan :

Final group picture at North High School Sheboygan. Now we're off to Chicago !
